Statistics indicate that if a child participates in music, he or she is likely to earn higher grades and score better on standardized tests. Now there is powerful scientific evidence of a cause and effect link between music instruction and intelligence.

Lafayette's Mastering Musicianship Program, known as M2, provides for individual music lessons over a 10-week session each semester. The advantages to this program are cost and convenience. The M2 Program at Lafayette is only \$150 for the 10-week session, and the majority of the private instruction takes place in the practice rooms of the Lafayette Band Department, under the direction of highly qualified music consultants.

Lessons are arranged to accommodate student needs even during Lafayette Band rehearsals. For example, if a student has a lesson scheduled for 4 pm on Tuesday, during a band rehearsal or sectional, the musician would be excused to leave the rehearsal 5 minutes before the lesson, receive 30 minutes of private instruction, then return to the Lafayette rehearsal after the lesson. The majority of M2 lessons occur within the Lafayette Band Room, between the hours of 3:30-7:30 pm, Monday thru Thursday.

Register by Thursday, January 5, to reserve a place for your student for the Spring 2012 session. The first week of lessons begins on January 23.
