

2021-22 Lafayette **Percussion Audition** **Procedure**

JOIN the Google Classroom that is instrument specific. Codes are posted at www.lafayetteband.org and have been emailed to all FCPS middle school directors Sign up for your Google Class by Wednesday, April 7th Assignment w/ instructions will be uploaded to each class during the week of April 12-16. Audition submission deadline is April the 24th.

Audition –

*Make the video to show your upper body, face, hands and drum or keyboard so that technique can be assessed. If you break or stop from a mistake, just continue where you left off. Do not feel the need to re-record yourself or start the entire etude over from the beginning.

*You may break up I. Hand Technique and II. Scales into 2 separate recordings if you need to.

*The other audition piece must be completed in one complete recording (as one complete take) with you switching from snare drum to xylophone. Make sure you place a snare drum and xylophone near your body accordingly to switch quickly to keep playing.

*If you are remaining virtual and don't have access to a xylophone and snare drum you may use a drum pad and a bell kit if need be.

- When complete, please upload your video to Google Classroom.
- Don't forget to "Turn In" this video assignment.

Audition submission deadline is April 24th.
Results will be posted after May 1st.
